## Education

Syracuse University  
BFA in Computer Art, May 2010  
GPA: 3.5 Cum Laude

## Experience

### Media Lab Consultant and Webmaster Assistant 2007 - 2010

Monitored a computer lab and helped lab attendants with a multitude of web, graphics, video, and office software. Also helped manage content and created minor graphics for the Maxwell School of Syracuse University website.

### Duke and Battersby Artist Assistant 2008 - 2010

Programming various automation scripts, maintaining dukeandbattersby.com, manipulating 3d models, and chopping down trees were only some of the tasks I undertook while working for the successful, Sobey Art Award nominated, contemporary art duo Duke and Battersby.

### Freelance Web Designer 2008 - 2010

Designed blogs and websites for various clients including successful blog entrepreneurs and student organizations.

### The Ultimate Battle: Pirates vs. Ninjas 2007 - 2009

Developed, designed, marketed, and monetized a massive multiplayer Facebook application. Users pick to join as a pirate or ninja and battle each other online to prove which side is better.
